**Buildings:** Maintenance and repair of all structures and improvements. **Grounds/Lake:** Mowing and lawn/equipment maintenance. **Traps/Sporting Clays:** Manage trap machines and equipment. Monitor

related activities. **Range:** Maintain a safe range and monitor related activities. **Safety:** Monitor overall safety of the facilities and activities with an eye toward regulatory and legal requirements.

We need members to help out with Club cleaning chores since we had to drop the cleaning service. Please give a few hours a year to improve the club. Contact John Bailly to sign up and help out. Don't be one of the many that let the few do the work.
