### General Notes

The drawing for the Henry Rifle took place at the December membership meeting. It was won by Terry Phillips. This was an excellent opportunity to bolster our coffers, we made nearly \$1,800. We will be looking to have future raffles of quality items, so stay in touch and don't miss out.

The NCSC Web Site has become the go-to area for the latest Club news and information. It looks great. Please check it out for events, schedules, and activities at:

### It's a new year!

The Executive Board is calling for members to join one or more Committees. The committees are the backbone of the continued success of the club. It is incumbent on all club members to ensure we maintain our club in the best manner possible; So please participate.

Let's not forget to welcome and support our new Executive Board members for 2010. They can't do it all themselves, and they shouldn't have to. Let's all pitch in when and where we can.

### Outgoing President's Message

This past year has seen a lot of tribulation for the Club. We had the furnace replaced due to it's failure. The electrical system was repaired, plumbing repaired and replaced, shooting traps were repaired, and many smaller issues were tackled. We had to weather an increase to our property taxes, expenses, and subsequently our dues needed to be increased. Through it all, the Club has stayed strong because of the efforts and dedication of our membership. For this, I want to sincerely thank all of you for your support and assistance. Our great Club reflects the strength of it's members.

**THANK YOU ALL!**

### Club Purpose and Objectives:

To encourage, teach, and actively support finer sportsmanship in all matters pertaining to the outdoor sports. With emphasis on hunting, fishing, and promoting the conservation and restoration of our natural resources and ecology. We focus on wildlife and fish & game related habitats. Promote and protect the interests of the sportsmen in New Carlisle and surrounding areas, and do all things incidental thereto; including the reservation, leasing, and ownership of real estate for these purposes; actively support, as deemed necessary all matters of legislation and enforcement regarding wildlife, fish, game, and conservation affairs, and provide assistance, where possible, to supporters of the above objectives.

### Proposed Bylaw Change

A motion was made and accepted at the December meeting to add wording to the club bylaws that would preclude mailing out election ballots if all executive board positions were running unopposed. This amendment would save on unnecessary expense of mailing ballots with no choices. The actual wording of the amendment will be read at the next two monthly membership meetings. The final vote will be held at the March members meeting. This constitutes the first notification of amendment.
