A Message from the President

To all life members: I think that there is a lot of confusion with the change of the bi-laws that was passed concerning the life members. All members had a chance to express their opinions on this change as it was read three times and voted on and passed. There were only three voted against this change. I don't think that every life member understands the change. If you did not pay your fifty dollar dues you loose all voting rights. You are still a member and have all rights to the club. I don't think that it was expressed to all non paying members that the club is in financial trouble and need all the help that they can get from all members. This goes for money and help work at the club. We have a big expense coming up and that is trying to repair the logs on the south east of the club house. We are in the process of doing some research on how this can be done. Also, trying to find the people with the knowledge to do the work. So far about the only thing that we have found out is that it is going to be very expensive. There are still a few members left that have put a lot of time and effort into making this club beautiful. I hope that we can continue with the support of all members. Please support us.

Thank you, Fred Johnson

DID YOU KNOW?

You can join the NRA or renew your membership through the club. Here are 3 reasons why you should:

- (1) you get a discount off the price,
- (2) the club makes money on every membership, and
- (3) the club gets discounts on the club insurance if most of members belong to the NRA.

As you can see it is a Win-Win for everyone. So if you are not a member, come and join, and if you are, renew at the club.

DRAWING

A drawing for a Taurus PT1911 will be held at the August 12th meeting. Tickets are \$5 each, five for \$20. Second prize will be a Mosin-Nagant 91/30 donated by Jim Huntsberger.

The club will host a Concealed Carry Weapons (CCW) course on June 26th & 27th. It will run 6-10 pm Saturday & 10 am - 6 pm Sunday. Cost is \$75 and you need to bring 100 rounds of ammunition.

We need people to sign up and clean the Club each month. It earns you a discount on your dues or get paid \$50 a month cash. The task is easy and takes minimal time. Sign up today!
