Trap Shoot	1st & 3rd Sundays Noon
Tuesday .22 lr Benchrest Matches May 4 to Oct 26	Tuesday mornings 8:30-12:30

Club Officer Nominations

Nominations for 2011 club officers will open at the Nov 11 general membership meeting. Permanent members in good standing are eligible. So consider running for a board position. It's a good way to become more involved in the club.

Club Update

First good news, the club's financial situation is starting to improve. While our savings and checking balances are still down, they are finally starting to increase. However, we still have the pending expense of replacing the rotten logs in the club house exterior wall.

On the logs, we have located companies to do the work, but finding new logs to replace the old ones is the problem. If you may know of a source, please contact a board member.

We are discussing a family membership option. This would make your spouse a club member; allowing them use of club facilities. As always, children accompanied by an adult member are allowed full use of the club. The proposed cost would be \$50 a year above the regular membership dues. We are soliciting comments and suggestions, so please come to a membership meeting or contact a board member.

The phone numbers for all the board members are located on the back of the newsletter.

DRAWING

We are raffling off a .22 caliber Henry lever-action rifle. It is blued, with an octagon barrel. The drawing will be held at the Dec 9th membership meeting. This rifle would make a great Christmas present. So please sell as many tickets as possible. These raffles are an important source of income for the club. If you need more tickets, please contact a board member.

Help Wanted!

We need people to sign up and clean the clubhouse twice each month. It earns you a discount on your dues or get paid \$50 a month cash. The task is easy and takes minimal time. Sign up today!

Close the Doors!

Recently, members have arrived to find club house doors left open. While we don't have a lot, what we have we want to keep. Please be sure you close and lock all the doors when you leave!

Promoting Sportsmanship for Everyone

We're on the Web!

www.ncsportsmansclub.com

Club Purpose and Objectives:

To encourage, teach, and actively support finer sportsmanship in all matters pertaining to the outdoor sports. With emphasis on hunting, fishing, and promoting the conservation and restoration of our natural resources and ecology. We focus on wildlife and fish & game related habitats. Promote and protect the interests of the sportsmen in New Carlisle and surrounding areas, and do all things incidental thereto; including the reservation, leasing, and ownership of real estate for these purposes; actively support, as deemed necessary all matters of legislation and enforcement regarding wildlife, fish, game, and conservation affairs, and provide assistance, where possible, to supporters of the above objectives.

Your Executive Board for 2010:

President:	Fred Johnson Sr.	206-5711
Vice-President:	Rick Eisenaugle	681-4063
Secretary:	Michael Trimeloni	275-6417
Treasurer:	Jutta Thompson	346-4559
Sgt at Arms:	Norman Hesskew	882-6618
3 yr Trustee:	Roger Storer	325-5946
2 yr Trustee:	John Bailey	322-4960
1 yr Trustee:	Terry Phillips	882-6732

Saturday Morning Matches:

Oct. 2 & Oct. 9:

22 Target Rifle; scope or iron sights, 40 rounds + sighters; prone @ 100 yards.

Oct 16 & Oct 30:

Pistol; 22 rimfire, centerfire handgun, & 1911; 30 rounds + unlimited sighters.

All proceeds support the club. So come on out and shoot.

Did You Know?

You can join or renew your NRA membership through the club. Here are 3 reasons why you should: (1) you get a discount on the price, (2) the club makes money on each membership, and (3) the club gets discounts on insurance if most of members belong to the NRA. As you can see it is a Win-Win for everyone. So if you are not a member, come and join, and if you are, renew at the club.

History of the Henry Rifle

The original Henry rifle was a .44 caliber rimfire, lever-action, breech-loading rifle designed by Benjamin Tyler Henry in the late 1850s. The Henry rifle was an improved version of the earlier Volcanic Repeating rifle. The Henry rifle used copper (later brass) rimfire cartridges with a 216 grain bullet over 25 grains of gunpowder. Nine hundred were manufactured during the summer of 1862; production peaked at 290 per month in 1864. When production ended in 1866, approximately 14,000 units had been manufactured.

For a Civil War soldier, owning a Henry rifle was a point of pride. Many soldiers purchased Henrys with their own funds. The rifles could fire at a rate of 28 rounds per minute, so soldiers who saved their pay to buy one often believed it would help them survive. They were frequently used by scouts, skirmishers, flank guards, and raiding parties, rather than in regular infantry. To the amazed muzzleloader-armed Confederates who had to face this deadly "sixteen shooter," it was "that damned Yankee rifle that they load on Sunday and shoot all week!"
