PRESIDENT'S COLUMN

Club Members

It's that time of the year again and the snow will be flying soon. I hope everyone has the opportunity to check out the work that's been done on the club house. Our thanks to Mr. Dan Slanker and crew for the outstanding work they did on the logs. This has been an on going concern for several years and it is finally almost done. The finishing touches will be done this spring.

I am calling out to all club members, we need your help. Our last raffle of the year is not doing too good. I understand it is a bad year for everyone; it is also a bad time for the club. Please support us and either buy or sell the raffle tickets. This is a nice rifle and can be seen at our next meeting, which will be the night of the drawing. If you need more tickets, they are at the club.

As this year churns down, this will be my last year as president. I am starting to slow down and my health is not the best. My mind says that I am 30 years old and my body says I am in my 90's. I am very proud to say that I have been a part of this club and have put a lot of my life into it. I think it is my turn to relax

and enjoy all the shooting and fishing. I would like to thank all of the executive board and club members for all of their support over the years.

There will be a list of members on the next page that have not paid their dues. If this is a mistake, please let us know. If not, please let us know if you do not plan on staying as a member.

Remember to get those tickets off the top of the fridge and send them in or better yet, bring them to the December meeting and be there for the drawing.

DID YOU KNOW?

You can join the NRA or renew your membership through the club. Here are 3 reasons why you should:

- (1) you get a discount off the price,
- (2) the club makes money on every membership, and
- (3) the club gets discounts on the club insurance if most of members belong to the NRA.

As you can see it is a Win-Win for everyone. So if you are not a member, come and join; and if you are, renew at the club.
