## NOTICE:

Due to the response, we have modified the club house cleaning policy. To allow everyone an opportunity, members are limited to two months a year unless no other members are interested. These months may not be consecutive (again unless no one else is interested). If you have any questions, please contact a board member.

## PRESIDENT'S COLUMN

Hello all. Well Spring is here, I think. It has been a little cold but the shooting season is heating up. The Saturday match schedule is active as are the Tuesday 22LR shooting matches. We have finished the Tuesday evening trap “Under the Lights” for the season but are still shooting Trap every Friday afternoon and the first and third Sunday of every month starting around noon. Please come out and join us.

Enclosed you'll find tickets for the upcoming raffle. Once again we are raffling a very nice rifle. This year we chose to raffle a DPMS Panther Arms AR-15 Rifle in 5.56mm! The rifle comes with

one (1) 30-round magazine. Tickets are **\$5.00 each** or **5 for \$20.00**. I am asking every member to buy at least 5 tickets and sell 5 tickets. Please sell as many tickets as you can. The club benefits greatly from these raffles and it helps to keep everyone's dues to a minimum.

The next thing I want to bring up is club participation. We offer a lot of extra activities which, to say

the least, are poorly attended. Our membership is well above 200 and at the last Sunday trap shoot, I had not a single member show up. The Saturday morning rifle shoots have been averaging only around 7 to 8 shooters. During last year's Sporting Clays we had anywhere from 8 shooters down to 2 matches that no one showed up. It takes time to set these things up, and I have trouble getting fellows to take over these events because they don't want to set everything up and then have to put everything away when no one shows. I know not all these matches are everyone's cup of tea, but there should be something that interests you. Consider trying at least one event this year. You just might find it is a lot of fun. Plus, it's a great opportunity to meet your fellow members and help polish up your gun handling skills.

Finally, we will be holding defensive pistol shoots before each membership meeting. Start time is 5:30 pm. The events are intended to develop your concealed carry skills, but the emphasis will be on having fun. So please bring your favorite pistol, holster, 50 rounds, and plan to join us; then stay for the meeting.

In fellowship, your President,  
Chris McCombs.

### Did You Know?

You can join or renew your NRA membership through the club. Here are three reasons why you should: (1) YOU get a discount on the price, (2) the club makes money on each membership, and (3) the club gets discounts on insurance if most members belong to the NRA. As you can see it is a Win-Win for everyone. So if you are not a member, come and join, and if you are, renew at the club.
